Deliver our Project Zero programme to reduce the Council's carbon emissions to net zero and to take action to achieve net zero across Wales by 2050.

Increase biodiversity and improve our green infrastructure and respect for the natural world within urban and rural areas.

Make sure young people can access affordable opportunities and safe spaces for sport and play including through after school and holiday clubs.

Provide a range of services and activities through our libraries, from early years throughout childhood, encouraging learning, confidence and creativity.

Develop more accessible and joined up health and social care services that prioritise early interventions and work with the Third Sector.

Become a County of Sanctuary by providing inclusive services and support and offering a dignified welcome to all.

Put social value and decarbonisation at the centre of how we buy and commission goods and services.
