Good Afternoon Kirsty

Please find attached my signed copy to confirm that I will be attending the hearing.

Additionally, I am currently in the process of locating more photographs that illustrate the mess often left behind on some weekends. In the meantime, please see the attached image, which unfortunately shows evidence of someone being sick on the floor.

Kind Regards

Good morning Kirsty

Thank you for your email.

Please see more pictures of glasses and a bottle left outside as well as broken glass.
This was from not this weekend but the weekend before.

You may have to zoom in little.

Kind Regards
